// 03 — LOGO USAGE

LOGO GUIDELINES

PRIMARY LOGO

- Always maintain clear space around the logo
- Minimum width: 120px
- Use on dark backgrounds (near-black) only

DON'T

- ✗ Don't rotate, stretch or distort the logo
- ✗ Don't change the colour scheme
- ✗ Don't add effects except the approved hero-glow
- ✗ Don't place on busy or light backgrounds
- ✗ Don't recreate or re-letter the wordmark

// 04 — DESIGN PRINCIPLES

CORE PRINCIPLES

01

BOLD & UNAPOLOGETIC

Strong display headlines, high contrast, confident positioning. Never timid.

02

TECHNICAL PRECISION

Monospace labels, coordinate tags, structured layouts. Everything has a purpose.

03

RESTRAINED COLOUR

A single emerald accent against near-black. Used sparingly, never decoratively.
